Advisory Committee

The Advisory Committee provides guidance to EXIM on its policies and programs, in particular on the extent to which EXIM provides competitive financing to support American jobs through exports.

Sub-Saharan Africa Advisory Committee

The Sub-Saharan Africa Advisory Committee provides advice on EXIM policies and programs designed to support the expansion of financing support for U.S. manufactured goods and services in Sub-Saharan Africa.

Council on Climate

The Council on Climate advises how EXIM can further support U.S. exporters and American jobs in clean energy and meet congressional mandates to support and promote environmentally beneficial renewable energy, energy efficiency, and energy storage exports.

Council on China Competition

The Council on China Competition offers guidance on advancing the comparative leadership of the United States with respect to China and supporting U.S. innovation and employment through competitive export finance.

Council on Small Business

The Council on Small Business provides recommendations to help more American small business exporters find new markets, achieve more sales, and lower the risk of selling internationally.

Council on Advancing Women in Business

The Council on Advancing Women in Business advises how EXIM can reach more women business leaders and owners and better consider equity goals set in the agency's strategy.
